

## Key changes to Undergraduate Degree Regulations 2024/25

Links within the regulations to other information have been updated as necessary.

Regulation updated	What has changed
<b>22 and 23 Recognition of Prior Learning (RPL)</b>	22 - This regulation has been amended to more closely reflect the wording relating to RPL in the PG Degree Regulations. A clarification has also been added to state that credit limits relating to RPL do not apply in cases where a student is transferring between degree programmes within the University.  23 – The link has been updated to the latest RPL policy for admissions.
<b>29 Optional Study Abroad</b>	Reference to Erasmus exchange has been removed, since students from the University are no longer eligible for this scheme.
<b>88 BVM&amp;S Progression</b>	The requirements relating to progression on this programme have been amended, based on updated information from RDSVS.
