When an appeal case is classified as Withdrawn, this can mean:

- The Student has requested their case is withdrawn
- The case has been resolved outside the appeal process and is no longer required
- A submission is deemed invalid or not accepted after screening
- Appeals withdrawn due to lack of response/engagement from the student

Further information about the University's Appeal procedures is available through the following link - <https://www.ed.ac.uk/academic-services/students/appeals>
