Social Work (MScR)

College of Medicine and Veterinary Medicine

Biomedical Sciences - Full time Postgraduate Taught Masters Programmes

Clinical Anatomy (MSc)
Human Anatomy (MSc)
Science Communication and Public Engagement (MSc)

Biomedical Sciences - Full time Postgraduate Masters by Research Programmes

Integrative Neuroscience (MScR)
Integrative Neuroscience (MScR)
Infectious Diseases (MScR)
Infection Medicine (Biomedical Sciences) (MScR)
Integrative Physiology (Biomedical Sciences - Centre for Discovery Brain Sciences) (MScR)
Biomedical Sciences (Cognitive and Neural Systems) (MScR)
Biomedical Sciences (Pathway Medicine) (MScR)

Biomedical Sciences (Life Sciences) (MScR)
Neuroscience (Biomedical Sciences - Centre for Discovery Brain Sciences) (MScR)
Science Communication, Public Engagement and Informal Learning (MScR)

Clinical Sciences - Full time Postgraduate Taught Masters Programmes

Regenerative Medicine: Clinical and Industrial Delivery (MSc)

Clinical Sciences - Full time Postgraduate Masters by Research Programmes

Medical Sciences (MMedSci by Research)
Cardiovascular Biology (MScR)
Cardiovascular Science (MScR)
Psychiatry (MScR)
Geriatric Medicine (MScR)
Inflammation (MScR)
Orthopaedic and Trauma Medicine (MScR)
Reproductive Sciences (MScR)
Respiratory Medicine (MScR)
Regenerative Medicine and Tissue Repair (MScR)
Surgery (MScR)

Molecular, Genetic and Population Health Sciences - Full time Postgraduate Taught Masters Programmes

Genetics and Molecular Medicine (MSc)
Public Health (MPH)

Molecular, Genetic and Population Health Sciences - Full time Postgraduate Masters by Research Programmes

Cancer (Edinburgh Cancer Research Centre) (MScR)
Genomics and Experimental Medicine (MScR)
Global Health (MScR)
Molecular and Clinical Medicine (ECRC) (MScR)
Population Health Sciences (MScR)

Veterinary Studies - Full time Postgraduate Taught Masters Programmes

Applied Animal Behaviour and Animal Welfare (MSc)
Applied Animal Behaviour and Animal Welfare (MSc)
Animal Biosciences (MSc)

Veterinary Studies - Full time Postgraduate Masters by Research Programmes

Developmental Biology (MScR)
Functional Genetics and Development (MScR)
Genetics and Genomics (MScR)
Infection and Immunity (MScR)
Neurobiology (MScR)

Clinical Veterinary Sciences (MScR)

College of Science and Engineering

Biological Sciences - Full time Postgraduate Taught Masters Programmes

Animal Breeding and Genetics (MSc)
Biochemistry (MSc)
Bioinformatics (MSc)
Biotechnology (MSc)
Drug Discovery and Translational Biology (MSc)
Data Science for Biology (MSc)
Ecology, Evolution and Biodiversity (MSc)
Evolutionary Genetics (MSc)
Human Complex Trait Genetics (MSc)
Quantitative Genetics and Genome Analysis (MSc)
Systems and Synthetic Biology (MSc)
Synthetic Biology and Biotechnology (MSc)

Biological Sciences - Full time Postgraduate Masters by Research Programmes

Biological Sciences (MScR)
Cell and Molecular Biology (MScR)
Cell and Molecular Biology (Wellcome Programme) (MScR)
Cell and Molecular Biology (Cell Biology) (MScR)
Cell and Molecular Biology (Molecular Plant Sciences) (MScR)
Stem Cell Research (MScR)
Cell and Molecular Biology (Structural and Molecular Biology) (MScR)
Cell, Animal and Population Biology (MScR)
Hosts, Pathogens and Global Health (MScR)
Hosts, Pathogens and Global Health (MScR)

School of Chemistry - Full time Postgraduate Taught Masters Programmes

Analytical Chemistry (MSc)
Materials Chemistry (MSc)
Medicinal and Biological Chemistry (MSc)

School of Chemistry - Full time Postgraduate Masters by Research Programmes

Chemistry (MSc by Research)

School of Engineering - Full time Postgraduate Taught Masters Programmes

Advanced Chemical Engineering (MSc)
Digital Design and Manufacture (MSc)
Electronics (MSc)
Electrical Power Engineering (MSc)

Engineering Technology (Chemical Engineering) (MSc)
Fire Engineering Science (MSc)
Signal Processing and Communications (MSc)
Structural and Fire Safety Engineering (MSc)
Sustainable Energy Systems (MSc)

School of Engineering - Full time Postgraduate Masters by Research Programmes

Engineering and Electronics (Digital Communications) (MScR)
Engineering and Electronics (Energy Systems) (MScR)
Engineering and Electronics (Infrastructure and the Environment) (MScR)
Engineering and Electronics - Integrated Micro and Nano Systems (IMNS) (MScR)
Engineering and Electronics (Materials and Processes) (MScR)
Engineering (Bioengineering) (MScR)

School of GeoSciences - Full time Postgraduate Taught Masters Programmes

Applied Environmental Hydrogeology (MSc)
Carbon Capture and Storage (MSc)
Carbon Management (MSc)
Climate Change Management (MSc)
Ecological Economics (SAC) (MSc)
Ecosystem Services (MSc)
Energy, Society and Sustainability (MSc)
Environment, Culture and Society (MSc)
Environment and Development (MSc)
Environmental Protection and Management (SAC) (MSc)
Environmental Sustainability (MSc)
Earth Observation and Geoinformation Management (MSc)
Food Security (SAC) (MSc)
Geoenergy (MSc)
Geographical Information Science and Archaeology (MSc)
Geographical Information Science (MSc)
Integrated Resource Management (MSc)
Marine Systems and Policies (MSc)
Managing Environmental Change (MSc)
Soils and Sustainability (SAC) (MSc)
Sustainable Resource Management (MSc)
Sustainable Plant Health (MSc) (SRUC)

School of GeoSciences - Full time Postgraduate Masters by Research Programmes

GeoSciences (Individual Project) (Taught) (MScR)
Human Geography (MScR)
GeoSciences (Individual Project) (MScR)
Palaeontology and Geobiology (MScR)

School of Informatics - Full time Postgraduate Taught Masters Programmes

Advanced Technology for Financial Computing (MSc)
Artificial Intelligence (MSc)
Computer Science (MSc)
Cognitive Science (MSc)
Cyber Security, Privacy and Trust (MSc)
Data Science (MSc)
Design Informatics (MSc)
High Performance Computing with Data Science (MSc)
High Performance Computing (MSc)
Informatics (MSc)
Imaging, Vision and High Performance Computing (MSc)

School of Informatics - Full time Postgraduate Masters by Research Programmes

Informatics: ANC: Machine Learning, Computational Neuroscience, Computational Biology (MScR)
Informatics: CISA: Automated Reasoning, Agents, Data Intensive Research, Knowledge Management (MScR)
Informatics: AIAI: Automated Reasoning, Agents, Data Intensive Research, Knowledge Management (MScR)
Informatics: ICSA: Comp. Architecture, Compilation & System Software, Networks & Communication (MScR)
Informatics: ILCC: Language Processing, Speech Technology, Information Retrieval, Cognition (MScR)
Informatics: IPAB: Robotics, Computer Vision, Computer Graphics and Animation (MScR)
Informatics: LFCS: Foundations of Computer Science, Databases, Software & Systems Modelling (MScR)

School of Mathematics - Full time Postgraduate Taught Masters Programmes

Computational Mathematical Finance (MSc)
Computational Applied Mathematics (MSc)
Financial Modelling and Optimization (MSc)
Financial Operational Research (MSc)
Mathematics (MSc)
Operational Research with Data Science (MSc)
Operational Research with Computational Optimization (MSc)
Operational Research with Risk (MSc)
Operational Research (MSc)
Statistics with Data Science (MSc)
Statistics and Operational Research (MSc)

School of Mathematics - Full time Postgraduate Masters by Research Programmes

Mathematics (MScR)
Mathematics and Statistics (MScR)

School of Physics and Astronomy - Full time Postgraduate Taught Masters Programmes

Astrobiology and Planetary Sciences (MSc)
Mathematical Physics (MSc)
Particle and Nuclear Physics (MSc)
Theoretical Physics (MSc)
