19. The electoral roll will be compiled from Human Resources' records on 31 January preceding the call for nominations meaning that nominees for the elected academic staff places will need to have been in their posts from this date in order to be eligible for nomination. Academic staff members who are allocated to the University Secretary's Group or Information Services Group will be included in the electoral roll for College of Arts, Humanities and Social Sciences.
20. Academic staff in both elected categories will be eligible to stand for the places which have been allocated to the College of which they are a member. If an academic staff member is a member of multiple Colleges, they will stand in the College where they work a greater proportion of their time (based on full-time equivalent). If an academic staff member works for equal amounts of time across multiple Colleges, they will be permitted to select the College in which they intend to stand, on condition that they only stand for election in one College, and that they declare in writing to the Senate Support Team in which College they intend to stand.

Elected students

21. The eligibility for students to stand for offices which can entitle them to Senate membership will be determined according to the eligibility criteria used by the Students' Association to appoint students to official roles. All students who are registered on credit-bearing courses, or who hold sabbatical offices, will be eligible for student membership.

Election of Academic Staff Members to Senate (Ordinance 212 Paragraph 7)

22. Elections for academic staff members will be held annually and will be run by the Senate Support team. There will be two elections for each College each year, one for eligible professorial staff vacancies and one for eligible non-professorial academic staff vacancies. Both elections will usually be held on the same day.
23. The Senate Support team will inform Colleges of the number of vacancies in each elected academic staff category and will report on an annual basis the members of each College in each category who will continue in office. Senate Assessors will be included in the count of College elected members if they are continuing a term of office as a College elected member, otherwise they are classed as an *ex officio* member and are not included in the count.

Election Dates

24. The call for nominations for each election will be made after 31 January each year. No nominations will be accepted before this date.
25. Each year, elections will be conducted to a timescale that has been approved by Senate. The elections must take place in time to communicate the results to Senate before its final meeting of the academic session, and the results must be communicated to Senate no later than 30 June each year.

Role of the Returning and Deputy Returning Officers

26. On an annual basis, Senate will appoint a Returning Officer and Deputy Returning Officer, who will be responsible for the management of the elections and the declaration of the results of the elections.
27. The Deputy Returning Officer will provide nomination forms calling for nominations and will draw attention to the correct procedure for making nominations. The call for nominations will be published by the Deputy Returning Officer and advertised via agreed channels.

Nomination and Validation of Candidates

28. Only members of the electorate in each category, as defined in paragraph 15, will be eligible to stand for election in that category. Eligible individuals will be entitled to nominate themselves as a candidate using the process specified in the call for nominations.
29. All nominations must be received by the deadline agreed by Senate. No nominations will be accepted after this date and time.
30. If the Deputy Returning Officer receives a nomination from an individual who is not eligible to stand for election under the terms defined in these regulations, the Deputy Returning Officer will contact the individual to inform them that their nomination will not be accepted. Where the individual whose nomination has not been accepted wishes to challenge the rejection of their nomination, they may do so by contacting the Returning Officer. The decision of the Returning Officer is final.
31. In the event of there being only one valid candidate for each vacancy and therefore an uncontested election, the Deputy Returning Officer will declare and publicise as soon as practicable the name of the valid candidate elected for each vacancy.

Conduct of election process

32. Each candidate will receive from the Deputy Returning Officer a copy of these Regulations.
33. If the Deputy Returning Officer has reason to believe that a candidate may have breached these Regulations, the Deputy Returning Officer will request a written explanation or clarification from the candidate. If the Deputy Returning Officer concludes that a material breach has occurred, the Deputy Returning Officer will inform the Returning Officer. The Returning Officer has the authority to disqualify a candidate, subject to the right of appeal by the candidate to the University Secretary (or specified delegated authority) within two working days of receiving written notification of the disqualification. The decision of the University Secretary (or delegated authority) will be final.
34. The validity of the elections will not be affected in the event that a candidate is unavailable to continue for any reason prior to the results of the election being announced and, where there is a greater number of candidates remaining than vacancies in any category, the election will proceed as planned. In the event of there being only one remaining candidate for each vacancy in any category and therefore an uncontested election in that category, the Deputy Returning Officer will declare and publicise as soon as practicable, and no later than two working days after confirmation of the uncontested election status, the names of the valid candidates elected.

35. The Deputy Returning Officer will distribute to each member of the electorate via email a link to the voting system along with a link to the relevant web page to view information about the candidates.

Voting arrangements

36. The elections will be conducted by means of the Single Transferrable Vote, Weighted Inclusive Gregory Method (STV WIGM). The candidates with the greatest share of the vote will automatically be elected.
37. Voting will be conducted by staff online. All those on the electoral roll will be permitted access and will be able to vote on the online voting system on the election date(s).
38. Members of staff who are formally employed in more than one College will be entitled to vote in all Colleges in which they are employed.

Counting

39. All votes cast online will be counted together using an electronic counting system.
40. In the event of a tie, the successful candidate or candidates will be determined by the drawing of lots. The Returning Officer will draw lots from the pool of candidates whose votes are tied until the available vacancies are filled.

Declaration

41. The Deputy Returning Officer will ensure that the result of the election is posted to the Senate webpages as soon as is practicable after the result or results have been declared. The result of the election will be communicated to Senate at the first meeting following the elections.

Election of Student Members to Senate (Ordinance 212 Paragraph 8)

42. Elections for student members will be held annually on dates to be determined by the Students' Association. Elections for student members will be conducted by the Students' Association in accordance with election regulations determined by the Students' Association, and with section 16 of the Higher Education Governance (Scotland) Act 2016.
