

THE UNIVERSITY
of EDINBURGH

Creating belonging: An interdisciplinary workshop of shared experiences and practices across the student journey.

Clinical Education Team

Teaching and Learning Conference

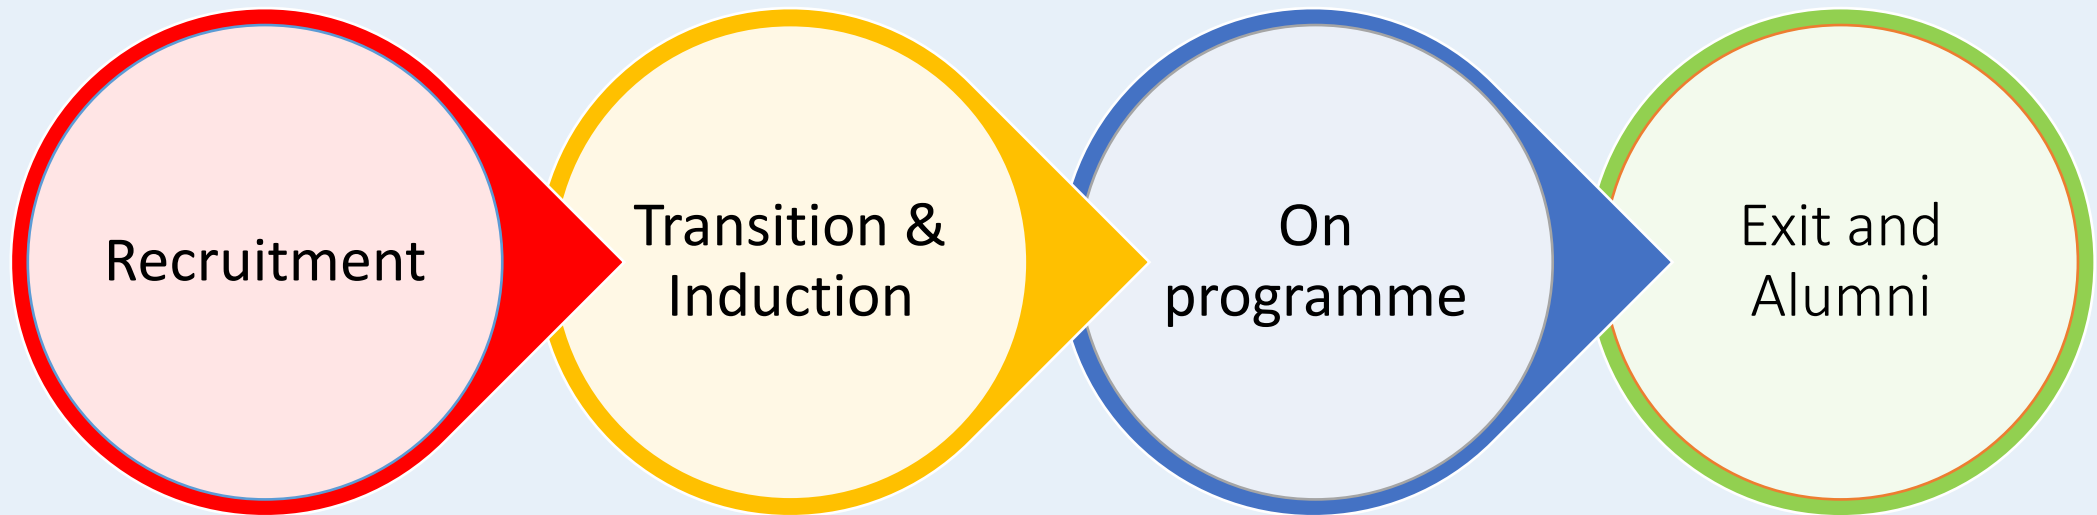

June 2026

Introduction & plan for session

Learning Objectives for Session

- 1) Identify a range of potential approaches to foster dialogue with students across various stages of a programme of studies
- 2) Critically reflect on the adequacy/feasibility of these approaches for the specific programmes they are involved in.

Student journey

World Café

- How might/do you create inclusive opportunities for dialogue and co-creation between students and staff at this stage?
- How might/do you create a community and mattering at this stage?

Feedback discussion

- What do you do?
- What would ideal situation look like?
- What one thing might you be able to do?

Conclusion
