

Developing Student Voice through structured reflection on skills development

Lorna Devlin, Senior Design Lead
Hannah Chalmers, Academic Co-Lead
Tara Morrison, Academic Co-lead

Content

What information do students need to help them understand:

1. What skills they are developing on curricula;
2. What skills they have developed/are developing through non-curricula activities.

Structure

What structure would help students to engage with a reflective portfolio?

- Closed questions / prompts?
- Structured programme alignment?
- Open Reflection?

Features

What features would help students to engage with a reflective portfolio?

- Space for personal reflection?
- App?
- Chatbot?
- Badges?
